# [Call for PI Proposals]
SATU Joint Research Scheme (JRS)

Suranaree University of Technology (SUT) provides financial support for Joint Research Scheme (JRS) Projects hosted by SUT Principal Investigators (PIs) with Co-PI from SATU member universities outside Thailand, each of 200,000 THB.

Objectives

• To promote and strengthen research collaboration between SUT and SATU member universities.
• To promote international visibility, research and academic collaboration for SUT.
