

**MEMORANDUM ON STUDENT EXCHANGE
IN THE FRAMEWORK OF THE COE ON NOVEL CARBON RESOURCE SCIENCES
BETWEEN SURANAREE UNIVERSITY OF TECHNOLOGY, THAILAND
AND KYUSHU UNIVERSITY, JAPAN**

The agreement for the academic exchange program between Suranaree University of Technology, Thailand, and Kyushu University, Japan, as it relates to the exchange of students in the framework of the Center-of-Excellence (COE) on Novel Carbon Resource Sciences, shall be implemented in the following way:

- Article 1 The students participating in the exchange program under the terms of this memorandum shall be selected initially by the home university, and the host university shall make final admission decisions in each case.
- Article 2 Each year, not more than 5 students may be enrolled as non-degree students at the partner university, and the number of the students shall be modified by mutual consultation in advance. The number of the students enrolled under the terms of this memorandum shall not be included into the number of the students enrolled under the terms of any other agreements between (faculties of) Suranaree University of Technology and (those of) Kyushu University.
- Article 3 The period of enrollment of the students shall not exceed one year.
- Article 4 The host university shall waive application, matriculation, and tuition fees for the students.
- Article 5 The field of study for each student shall be such that the host university can appoint a qualified advisor and provide an appropriate course of study.
- Article 6 In order to carry out the study, each student shall possess sufficient language ability requested by the host university to complete the appropriate course of study.
- Article 7 Each university agrees to provide documentation of course work completed by the students at the host university.
- Article 8 The host university shall make efforts to ensure that the students are provided assistance in finding adequate housing on or near the campus.
- Article 9 Each university agrees to provide appropriate information on the academic performance of the students.
