

SATU

JOINT RESEARCH SCHEME (JRS)

A collaborative platform that facilitates academic research cooperation among SATU member universities, as a matching platform where scholars from different SATU member universities can connect with like-minded researchers and form research collaborations together.

8 – 22 March 2023

7 – 19 April 2023

2 – 10 May 2023

18 May 2023

Stage 1

Call for PI Proposals
Online Submission

PI(s) as project host

Stage 2

Call for Co-PI(s)
Online Application

To participate in projects hosted by PI (s) of other universities

Stage 3

Project Matching

Co-PI applications to be reviewed by PI(s)

Announcement
Matching Results

Projects
Start

SUT provides financial support for JRS Projects hosted by SUT Principal Investigators (PIs) with Co-PI from SATU member universities outside Thailand.

Objectives:

- To promote and strengthen research collaboration between SUT and SATU member universities.
- To promote international visibility, research and academic collaboration for SUT.

Terms and conditions:

- SUT PI who would like to receive the grant must submit their concept paper and SATU JRS application form to the Institute of Research and Development (IRD) at SUT through the fiscal year subject to availability.

Type of SUT Grants:

- ทุน 2 แลดู
- ทุน Inbound
- ทุน Outbound
