Center for International Affairs–Student Exchange

## Suranaree University of Technology Hosts Exchange Students from Akita University, Japan

On September 18, 2023, SUT was pleased to welcome a group of exchange students from the School of Nursing at Akita University, Japan. The warm reception was extended by Assoc. Prof. Dr. Chatchai Jothiyangkoon, Vice Rector for Academic Affairs and Quality Assurance, who also acting the Dean of the Institute of Nursing for the occasion.

As well as Asst. Prof. Dr. Tapany Patcharawit, the Deputy Director of the Center for International Affairs presented SUT overview information for the exchange students at the meeting room 5, Academic building 2. The visiting students were given a special campus tour, organized by the Center for International Affairs. This tour provided them with a glimpse into the university's facilities and the academic environment.
