Ericsson Imagine Live Thailand 2023

SUT joined a panel at a large telecommunication event, Ericsson Imagine Live! Thailand 2023, which took place on September 12-13, 2023 at Centara Grand@Central World Hotel, Bangkok. The event showcases 5G technology and insights of its potential for Thailand. The panel session on What are the key enablers to drive digital transformation in Thailand through 5G was joined by panelists in the telco sector. Asst Prof. Dr. Settawit Poochaya, School of Telecommunication Engineering, represented SUT in the panel talk on 5G technology: The Role of Academic in Thailand. SUT's 5G radio NBTC QoS testing device related to NBTC regulation was also demonstrated at the event.
