IN a recent gathering titled "Human Rights Informal Networking Afternoon 2023" hosted at the Foreign Correspondent's Club and organized by the Australian Embassy on December 13, 2023, CIA and Technopolis actively participated in fostering dialogue and collaboration.

The event provided a valuable platform for the exchange of ideas and insights on human rights issues, strengthening connections between academia and diplomatic circles. The engagement of SUT members underscores the university's commitment to global discourse and collaboration on critical social issues.

THE SUT ATTENDEES INCLUDED:

- **Asso. Dr. Worawat Meevasana**
Acting Deputy Director of Technopolis for Technology Adaptation, Transfer, and Development
- **Mr. Lars Andersson**
CIA Coordinator and Liaison
- **Miss Sarathip Rodmek**
