CIA Joins SEDA-Hosted SUT StartUp Event in Singapore

From September 21st to 23rd, 2023, the Center for International Affairs (CIA) joined the SEDA-hosted SUT StartUp event in Singapore. The delegation, led by Asst. Prof. Dr. Tapany Patcharawit, Deputy Director of CIA, and Ms. Sarathip Rodmek, General Administrative Officer, aimed to exchange knowledge on educational development, student support, and entrepreneurship readiness. This reflects CIA's commitment to international collaboration and preparing the SUT community for a dynamic future.

During the visit, the delegation explored innovation and entrepreneurship hubs in Singapore, engaging with organizations like Origgin Ventures Pte. Ltd., NUS Enterprise – Action Community, and Action Community for Entrepreneurship (ACE). They also enjoyed the fusion of art and science at the Art Science Museum and gained insights from Singapore Management University (SMU).
