Jönköping University Strengthens Ties with SUT

Suranaree University of Technology (SUT), 14 February 2025 – Mr. Joakim Brobäck, Head of Internationalization at Jönköping University, Sweden, visited SUT to explore academic collaboration and student exchange opportunities.

Key representatives from SUT, including **Asst. Prof. Dr. Wipawee Usaha**, Director of the Center for International Affairs (CIA), and other faculty members, discussed strengthening institutional partnerships and expanding student mobility programs.

Following the meeting, Mr. Brobäck joined SUT lecturers for a networking lunch and a campus tour before departing for Bangkok.

This visit aligns with SUT's ongoing efforts to enhance global academic cooperation.
