SUT REPRESENTS THAILAND AT ASEA-UNINET NATIONAL COORDINATORS MEETING IN BALI

Bali, Indonesia – February 10-11, 2025 – Suranaree University of Technology (SUT) took part in the ASEA-UNINET National Coordinators Meeting, hosted by Udayana University (Unud), Bali. The event gathered national coordinators from across Asia and Europe to strengthen academic collaboration and plan for the upcoming Plenary Meeting in Brescia, Italy, in September 2025.

**Representing Thailand**, Dr. Mullika Sungsanit, Vice Rector for Engagement, Innovation, and Entrepreneurship at SUT, engaged in discussions on critical global topics, including Digital Humanism, Quantum Physics, Renewable Energy, Global Health, and Ecological Economics. These discussions will shape future research collaborations among ASEA-UNINET member universities.

**ASEA-UNINET** connects 90 universities across Europe and ASEAN, promoting research and academic collaboration. SUT remains committed to innovation and global partnerships.
