- Dr. Mullika Sungsanit of SUT has been appointed as the 16th President of ASEA-UNINET, becoming the 3rd Thai to hold this position since the network's founding in 1994.
- The network voted for the 21st ASEA-UNINET Plenary Meeting to be held in Khao Yai in 2027.

September 12, 2025 marks a milestone for Thai higher education, as SUT's Dr. Mullika Sungsanit takes on the role of President of ASEA-UNINET, becoming the third Thai to hold this position since the network's founding in 1994.

ASEA-UNINET, a network led of European and ASEAN universities led by Austria, has long advanced exchanges, research, and scholar development. This presidency offers Thailand new opportunities and greater visibility.

By tradition, the next Plenary Meeting will be hosted in the President's country. Thus, the 21st ASEA-UNINET Plenary Meeting in 2027 will be held in Khao Yai, hosted by SUT with the Thai ASEA-UNINET university team and MHESI.

About ASEA-UNINET

ASEA-UNINET, founded in 1994, links over **92** universities from **14** countries in Europe and Southeast Asia to advance international education and research. The network supports **80+** projects annually, joint research labs, PhD/Postdoc scholarships, and hosts workshops, conferences, and schools.

Covering disciplines from science and technology to medicine and humanities, it emphasizes voluntary collaboration. Known as the "ASEA-UNINET family," it fosters lasting friendships, cultural exchange, and inter-disciplinary partnerships that enrich both scientific and human connections.
