

THAI-UK PRESIDENT SYMPOSIUM

31 OCT - 4 NOV 2025

UNIVERSITY VISITS ON 31 OCTOBER & 3 NOVEMBER 2025

ROYAL HOLLOWAY UNIVERSITY OF LONDON

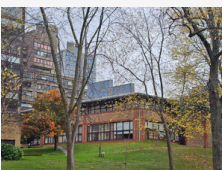

Prof. Tracy Bhamra (Provost and Pro Vice-Chancellor Global) and team warmly welcomed our delegation and conducted an excited campus tour in arts and visual/game design studios, together with electrical and electronics engineering laboratory. The University is ranked 15th in the UK with historically prominent campus awaits for your visit.

UNIVERSITY OF READING

Prof. Robert Van de Noort, Vice-Chancellor and team presented insightful information on climate stripe and campaign over the campus, and the university's strong areas in business, biomedical, wearable devices (Movement Lab), and the BIGGEST & NEWEST Biotechnology laboratory in Europe. As a research-intensive university, it is in the UK TOP 30.

UNIVERSITY OF LEICESTER

Travel up north to meet **Prof. Andrew Abbott and Dr. Jake (Minjun) Yang at the Centre for Sustainable Materials Processing, the University of Leicester** to experience generous lab & facility tour. This has paved the way for a major step for prospective research collaboration on materials recycling, interesting programs, along with exchange & mobility between the two universities.

THAI - UK ONE-ON-ONE COLLABORATION, 4 NOVEMBER 2025

Assoc. Prof. Rattachat Mongkolnavin, Chairman, Committee on Promoting and Enhancing Higher Education toward Quality and International Standards, Ministry of Higher Education, Science, Research and Innovation (MHESI) addressed the "Bridging the Gap: Aligning Education with Industrial Needs" with strategic partnerships at the opening of **Thai-UK President Symposium, at the County Hall, London, UK**. **SUT representative, Asst. Prof. Dr. Tapany Patcharawit, CIA Deputy Director** has participated **University Pitching and One-on-One Collaboration** with **University of Liverpool, London South Bank University, University of York, Anglia Ruskin University, University Vocational Awards Council and University of Manchester**, leading to potential academic and research partnerships.
