

# 2026 SUT LOVE FEST

“Valentine Ambience”

Love was truly in the air at the SUT Library as students gathered for SUT LOVE FEST 2026: “Valentine Ambience” on 13 February 2026, a heartwarming celebration filled with creativity, sweetness, and unforgettable memories. Hosted by the Center for International Affairs (CIA) and the Center for Library Resources and Educational Media (CLREM), this year’s Valentine’s Day event transformed the D.I.Y. Corner into a vibrant space of connection and joy. Best of all, all workshop activities were completely FREE, welcoming everyone to join the fun.
