SUT Faculty Member Joins WTUN Exchange Programme at the University of Newcastle, Australia

From February 16-20, 2026, Asst. Prof. Dr. Pawornwan Rittipakorn from the Faculty of Dentistry, Suranaree University of Technology (SUT), participated in the WTUN Exchange Programme 2025-2026 at the University of Newcastle (Ourimbah Campus), Australia. Hosted by Prof. Dileep Sharma, the visit aimed to encourage research collaboration and exchange knowledge regarding dental education systems.

During the exchange, Asst. Prof. Dr. Pawornwan had the opportunity to observe the teaching of dental hygiene students in both practical laboratory sessions and clinical simulations. Furthermore, she visited and studied the clinical teaching processes at Wyong Hospital and the Eleanor Duncan Aboriginal Dental Service.
