

SUT International Affairs Center Welcomed Exchange Students from Akita University, Japan

2 March 2026

On March 2, 2026, the International Affairs Center of Suranaree University of Technology (SUT) warmly welcomed inbound exchange students from Akita University, Japan.

During the visit, the Center delivered an introductory briefing and presentation about the university, providing the students with an overview of SUT's academic programs, campus facilities, and international activities.

The visit was organized under the academic cooperation agreement between Suranaree University of Technology, represented by the Institute of Nursing, and Akita University.

The visit successfully enhanced mutual understanding and reinforced the strong academic relationship between the two universities.
