

SUT VISITS CHINA MEDICAL UNIVERSITY

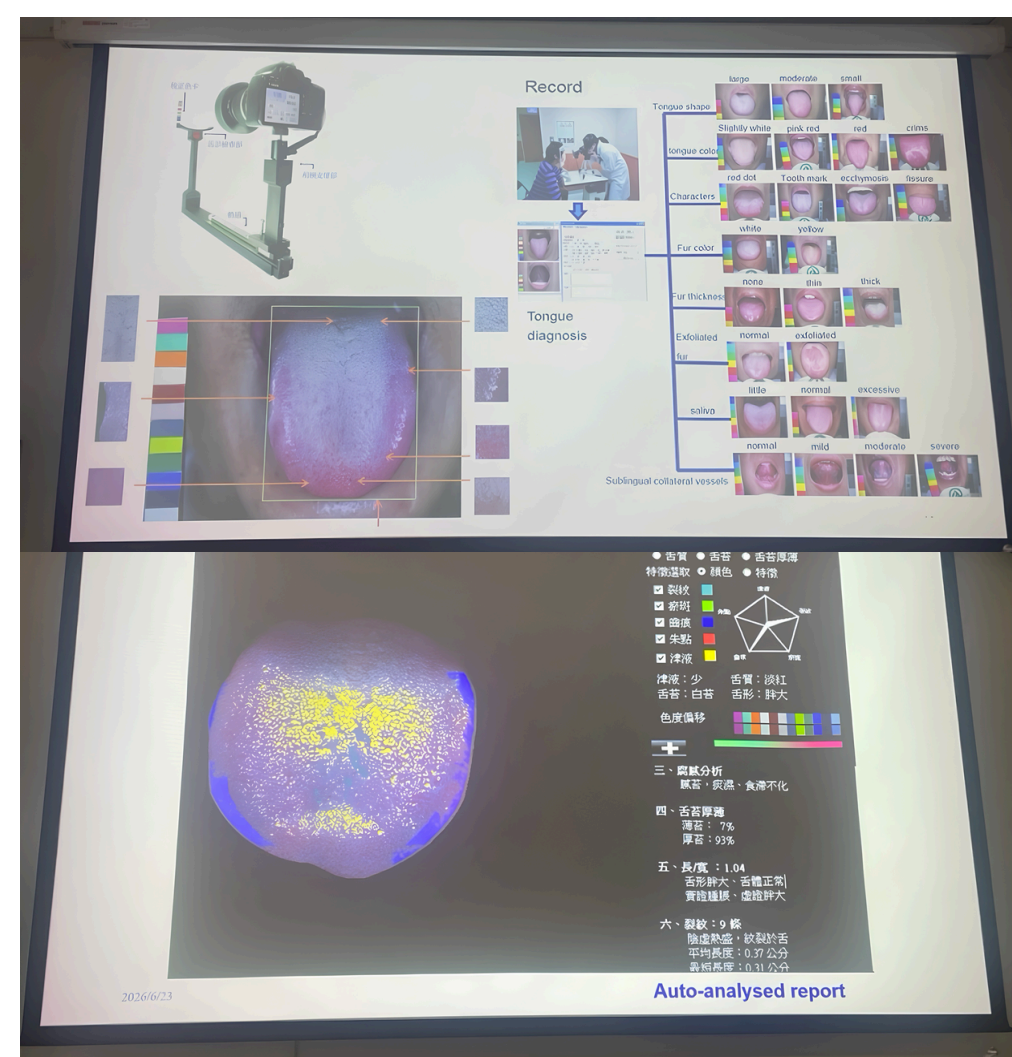

Advancing AI and Traditional Medicine Collaboration in Taiwan

A delegation from Suranaree University of Technology (SUT) visited the College of Chinese Medicine at China Medical University (CMU) in Taichung, Taiwan, to strengthen academic exchange in AI, digital diagnostics, and traditional medicine.

ACADEMIC EXCHANGE

Welcome Session at CMU

CMU Digital Healthcare Exchange

SUT Wellness Academy & AI in Healthcare Exchange

CMU integrates modern medicine, Traditional Chinese Medicine, and digital technology. The exchange included insights on AI applications in healthcare and traditional medicine, as well as presentations from SUT on Wellness Academy and AI in Healthcare initiatives.

FACILITY VISITS

Chinese Medicine Pharmacy

Lifu Museum of Chinese Medicine

Traditional Medicine Learning Materials

The delegation visited the Chinese medicine pharmacy to learn about digital support for accurate herbal dispensing. They also explored the Lifu Museum of Chinese Medicine and traditional medicine learning materials.

FUTURE
COLLABORATION

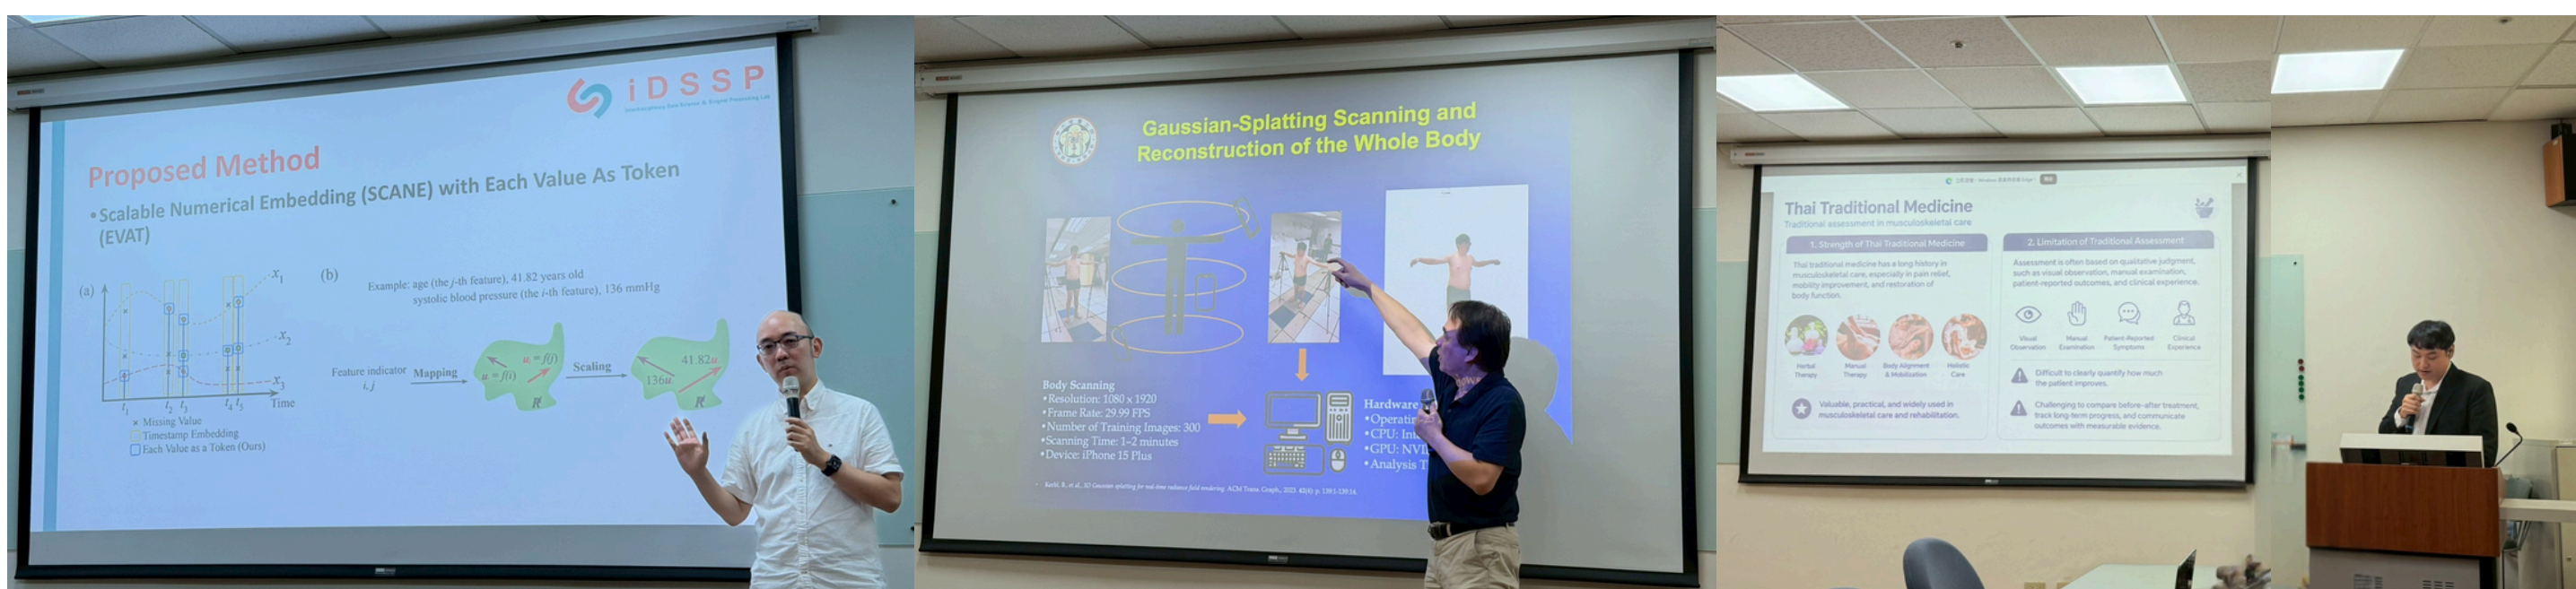

Supported by the Taiwan–Thailand Science and Technology Center (TTSTC) and SUT partners, the visit laid a foundation for long-term academic and research collaboration between SUT and CMU.

SUT VISITS NATIONAL TAIWAN UNIVERSITY (NTU)

Advancing Research Exchange in Biotechnology, AI, and Smart Healthcare

RESEARCH EXCHANGE

LABORATORY VISITS

MEDICAL TAIWAN VISIT

A delegation from Suranaree University of Technology (SUT) visited the Institute of Biotechnology, College of Bioresources and Agriculture, National Taiwan University (NTU), Taipei, Taiwan, for an academic and research exchange.

The visit highlighted research discussions in agricultural biotechnology, biomedical engineering, AI-driven healthcare, smart healthcare, and laboratory innovation. The delegation also explored related medical technology developments through a continued visit to Medical Taiwan.

FUTURE
COLLABORATION

Supported by the Taiwan–Thailand Science and Technology Center (TTSTC) and SUT partners, the visit strengthened academic connections and opened opportunities for future collaborative research between SUT and NTU.
