SUT New International Students Orientation Day

Center for International Affairs, SUT hosted an orientation activity for new international students of Academic Year 2026 on Friday 19th June 2026 at SUT Library. The orientation welcomed newly admitted international students and featured representatives from various SUT departments, who provided essential information on academic regulations, student services, campus facilities, immigration requirements, health insurance, and other important matters to help students successfully begin their studies and adapt to life at SUT.

Message from the Director

Asst. Prof. Dr. Wipawee Usaha (Acting Director)

**Dear B69/M69/D69 International Students,
Welcome to Suranaree University of Technology!**

Thank you for choosing SUT as the next step in your academic journey. As we begin a new academic year, we hope you will enjoy our resort campus, experience the friendship in SUT community, and make the most of the opportunities that lie ahead. We are delighted to have you as part of SUT.

Being away from home is both exciting and challenging. I understand this from personal experience, having studied abroad as both an exchange student and an international student far from home. While there may be moments of uncertainty, this journey is also an opportunity to discover your own potential, build lasting friendships, embrace new cultures, and broaden your horizons.

We hope that your time at SUT will be a rewarding and enriching experience that helps you grow both academically and personally. As you settle into campus life, please remember to take good care of your health, safety, and well-being. These are essential not only for your success at university but also for the peace of mind of your family back home.

Please ensure that your health insurance remains valid throughout your stay, and always comply with university regulations, local laws, and traffic rules to help keep yourself and those around you safe.

We wish you every success in your studies, meaningful friendships, and many memorable experiences during your time at SUT.

Welcome once again, and we look forward to being part of your journey.

@SUT Library

SUT New International Student Orientation Day take place at Bannasarn Sathit Meeting Room, 4th floor, Center for Library and Education Media Building.
