NEW PROCESS

Etudes en france

The Études en France platform is entirely digital and allows you to manage all the steps involved in registering in a higher education institution up to the visa application. All you have to do is create a personal electronic file and let yourself be guided.

You will be able to submit your applications, communicate with the Campus France space in your country and contact the institutions in which you wish to register.

You will be asked to pay a fee for this support service.

STEPS

01

Creation of my profil
<https://pastel.diplomatie.gouv.fr/etudesenfrance/>

02

files submission / payement

03

Correction and validation of the file / appointment with Campus France Thailand

04

interview of the candidate At the end of this interview the file is sent to the selected institutions.

05

Final decision and confirmation

06

Visa application form
stamp the prior agreement at the Espace
