SweCham Business Connect

SUT sparked interests from members of the Thai Swedish Chamber of Commerce (SWECHAM) as host of the **“SweCham Business Connect”** on September 7, 2023. The event welcomed a full house with around 86 participants from the business, commerce, industrial sectors. In the spotlight, Mr. Lars Andersson, Assistant Director of Technopolis, Innovation and I Management Division, and CIA liaison, gave a talk on SUT : An Academic Partner for Sustainable Innovation and Entrepreneurship. The event promoted vast idea exchanges and business connects throughout the evening in a relaxing and friendly atmosphere. SUT looks forward to exploring opportunities and expanding collaborations and partnership with these sectors.
